

## THE LAWYER'S DAY.

Now this Indenture Witnesseth—  
Miss Slimm you know the lingo;  
The Vendor's name, is Richard Seth.  
The Purchaser's, is Jingo.

Sam Hill is building o'er my line,  
Beyond his proper function;  
'Tis time he had an anodyne—  
The remedy's Injunction.

Then write to Jones quite tout de suite  
And say that you must know, Sir,  
Your Mortgage you must promptly meet,  
Delay will mean Foreclosure.

Hello! Oh yes! Don't call to-day,  
I'm like a bee in clover;  
A hundred thousand deal you say?  
Great Scott! I'll be right over.

And Dives Brown has left large sums,  
And passed the River Jordan;  
Like Lazarus, we'll gather crumbs—  
Probate in proper jargon.

So Flint writes, *ab initio*,  
Your bill is quite excessive;  
*A fortiori*, he shall know  
His rent is most oppressive.

And now, Miss Slimm, please hurry through  
Before you go to luncheon:  
I have a game of golf at two—  
But this, you will not mention.

And if J. Fuller Crabb should call,  
While I am winning prizes,  
Just say I'm at the City Hall  
Attending the Assizes.

Hamilton, Canada.

KIPLING MASEFIELD SITWELL.
